PRESS RELEASE

Casa Nor is a development located in Noroeste, one of the last planned neighborhoods of Brasília, with safe and easy access via Via W9.

The common areas of Casa Nor were deeply inspired by the Brazilian Cerrado, a region rich in history, culture, lush nature, and a diverse palette of colors and textures. Each space has been meticulously designed to provide a truly captivating experience for residents, embracing the essence of its surroundings and fostering special moments of connection and community.

At Casa Nor, the common areas are an invitation to a life of sophistication, leisure, and togetherness, all wrapped in the essence and beauty of the Brazilian Cerrado. This development embodies the perfect union of design, technology, and the cultural richness of the region, offering residents a truly remarkable living experience.
