PRESS RELEASE

The Copa development stands out for its contemporary architecture, harmonizing modernity and sophistication. Its prime location offers breathtaking views of Ibirapuera Park. The innovative design incorporates large windows to maximize natural light and create a visual connection with the surrounding environment. The emphasis on nature is evident through green spaces, gardens, and materials that promote a sense of warmth and comfort.

The project includes contemplation areas, such as a grove, party room, and children's playroom, encouraging the appreciation of the landscape. By combining comfort and functionality, Copa redefines the concept of modern living, offering a unique experience seamlessly integrated with nature.
